

NATIONAL
UNIVERSITY

Veteran Founded. Nonprofit.

“Our mission is to deliver an exceptional student experience by providing superior programs and services that are relevant and result in meaningful learning.”

National University is San Diego’s largest private nonprofit university. We are proud to provide high quality higher education to our diverse student population from across the United States, and in multiple countries. As an institution, we value accessibility and provide our students and faculty the opportunity to thrive in a dynamic and exciting work environment. In 2010, National University was named a Great College to Work For in a survey by The Chronicle of Higher Education.

We have an excellent opportunity for an Adjunct Instructor to join our highly engaged faculty in the Department of Health Sciences, Bachelor’s degree program in Clinical Laboratory Science. In this role, the successful candidate will teach undergraduate courses to students seeking to gain theoretical knowledge and practical skills in the areas of analytics, immunology, hematology, and molecular science. This role is critical in ensuring successful student outcomes.

Note: This position will be teaching hybrid (onsite and online) 4-week courses. Onsite classes are taught at the College of the Canyons campus in Santa Clarita, CA.

Essential Job Duties:

- Effective classroom instruction
- Participating in classroom discussion boards
- Grading assignment and responding to student inquiries
- Providing timely feedback to students’ questions and concerns
- Have a strong emphasis on student-centered learning

Qualifications:

- Master’s Degree in Health Science or related field, from a regionally accredited university
- Terminal degree (PhD) in a related field, from a regionally accredited university is strongly preferred.
- Work experience in relevant subject area
- Proficiency in common internet tools, Word, Excel and PowerPoint
- Experience with teaching adult learners
- Blackboard teaching experience preferred
- Must reside and be eligible to work in the United States

National University offers competitive salaries, and an opportunity to work in an innovative environment that supports diversity.

National University is an equal opportunity employer and educator. National University does not discriminate in its programs or activities, against individuals, on the basis of their race, color, national origin, sex, disability, age, or any other bases protected by state or federal laws.
